About me

I am a first year Master's degree Computer Science student. Currently seeking a part time student job.

I am a dedicated, self-motivated and responsible person. I can work well both in a team environment as well as by myself. I love learning and am always up for new challenges.

Education

Technical school Čakovec

SEP 2016. – MAY 2020.

Genetic algorithm and neural networks themed final project.

Faculty of Electrical Engineering and Computing Zagreb

Bachelor's degree
